

SINGLE WALL GREASE DUCT

TAKE THE WORK OUT OF DUCTWORK

FloAire's factory built listed grease duct makes installing and using ductwork simple and efficient. No onsite welding is required and all duct is factory tested for quality assurance.

QUALITY CONSTRUCTION

- 8" to 36" stainless steel construction
- Factory tested for leaks for quality assurance

EASY INSTALLATION

- No welding required - simply seal and attach V-clamps
- Predesigned in autoCAD for best performance
- Multiple accessories available: Elbows, access doors, transition plates

ROBUST PERFORMANCE

- Reduced static pressure and grease buildup due to round shape
- Excellent fire protection due to leak testing
